Dear Prospective Preschool Family,

Thank you for your interest in our St. Dominic Preschool Program!

Our program consists of multiple classrooms serving children aging from 3 to 5. We offer an array of options when scheduling your preschooler into our program. These options include: 2-day, 3-day, and 5 day preschool with both half-day and full-day choices. This variety is designed to assist the parents in registering their child for what best meets their family's needs as well as their child's needs. Meanwhile, all classes, regardless of their length in day or frequency in attendance, will focus on your child's developmental needs as well as develop their character and promote academic, social, emotional, physical, and spiritual growth.

We are a learning through play program. This means our day consists of a collection of whole group, small group, and individual educating, while incorporating centers with educational manipulatives geared towards the Ohio Early Learning and Development Standards to further extend your child's learning and development. Our curriculum is standard based and facilitates a love of learning and literature while appealing to the many interests of preschoolers. Writing, literature, math, construction, science, basic life skills, art, dramatic play, and large and small motor development are just some of the tools used daily for learning and exploration in our classrooms. Because we are a Catholic school, we also promote and encourage a relationship with Jesus by learning prayers, infusing Catholic/Christian values into our classroom rules and expectations, and encouraging a love of neighbor and self as the children begin to make friendships and build an educational foundation that will last them a lifetime.

Our classrooms maintain a 10:1 or 12:1 ratio based upon the age of the students. Teachers and assistants work collaboratively and cooperatively to create an educational setting with fun and excitement. Each day your preschooler will be in a nurturing environment with caring teachers and staff who have dedicated their days to making sure your child excels and has a bright future. Our staff meet and exceed requirements for professional development and are required to complete a rigorous course of background checks prior to stepping into the classroom.

If you have any questions or would like more information, please email me at kcagle@g.stdominichelhi.org and we can further discuss St. Dominic Preschool and/or set up a tour for you and your child.

Looking forward to meeting you and your child soon!

Sincerely,

Mrs. Cagle
St. Dominic Preschool Director
