

St. Dominic Preschool's Financial Support

Early Childhood Education Grant (ECE)

St. Dominic Preschool is a proud recipient of the Early Childhood Education Grant (ECE). The purpose of the ECE Grant is to provide high-quality early learning services to Ohio's preschool age children and help to prepare children for success in kindergarten. The state funded ECE Grant is awarded to early care and education programs who provide developmentally appropriate learning environments that address the outcomes and goals essential for healthy development and academic growth.

Families who attend St. Dominic Preschool can complete an Eligibility Screening Tool and provide proof of income to determine their eligibility in receiving this grant for their preschooler's. Those who qualify can then receive tuition assistance for their preschooler.
